

## **Put the Care Back in Healthcare**

Pro-Watch® 4.3 helps save lives and revives your security

# Ensure patient safety 24/7

Doctors and nurses aren't alone in working to ensure patient safety.

**From securing drug cabinets to securing emergency rooms, Pro-Watch 4.3 protects the most needed areas.**

Pro-Watch 4.3 is designed with an open platform that offers integration, scalability and flexibility to meet some of the most demanding security needs. With the addition of wireless locks and biometric readers, Pro-Watch now offers excellent choices to fit those demands. Whether the goal is to increase safety in ICU's, pediatrics, or the ER, Pro-Watch 4.3 wirelessly fits specific security needs at an affordable price.
