features

- Secure System.
- Multiple Users.
- Multiple PC Workstations.
- Image, Plan or Text Displays.
- Simple Navigation and Control.
- Current Event List.
- In-Depth History Analysis.
- Integrates with ZX Series Control Panels.
- Windows™ XP, 2000 Compatible.
- Choice of Specification.

overview

Visualeyez is a pictorial and textual aid to help you manage an alarm activation within your work place. It can be programmed to suit any application including: Hospitals, Universities, Prisons, Hotels, Industrial and Commercial buildings.

In an emergency, both information and control are paramount, without knowing what has occured and where it happens it is difficult to provide an effective resolution of the situation. Visualeyez is designed to present the information in a simple, clear and user friendly way, allowing rapid comprehension of the situation.

In addition to the basic function of displaying alarms at a common location, the system also offers the ability to record and analyse both alarms and non-alarm events. This provides the building's engineers or management with the tools they need to analyse alarms, faults, review events, assess problems and plan their maintenance and false alarm prevention strategies.

VisualeyeZ Alarm Management System

Data Sheet

installation

The system is available in a number of standard configurations, providing a cost effective solution for particular applications, with existing configurations suitable for simple upgrading. All Visualeyez programs have been developed to work within current Windows operating systems software (Windows XP, 2000 compatible).

Fire panel compatability and seamless integration with the ZX range of fire alarm control panels is easily achieved, simplifying set-up and programming thereby reducing commissioning costs. Communication between the fire alarm control panel and PC is constantly monitored providing instant warning of a possible systems fault.

pc specification

Processor :	Intel Pentium or Equivalent, 2GHz.
Memory :	512Mb Minimum.
Disk Space :	20Gb Minimum.
Graphics Card :	1024 x 768 (XGA), 16 Million colours.
Monitor :	XGA or higher, > 80Hz refresh rate.
Sound Card :	Windows compatible.
Loudspeakers :	Compatible with windows sound card
Pointing Device :	2 button mouse.
Keyboard :	Required.
Serial Ports :	1-6 (configuration dependent).
Parallel Port :	Required for Hardware key.
Printer :	Windows compatible (Optional).
LAN Connection :	10/100 Mps (required for Multiple Workstations).
CD ROM :	Required for software installation, min 4x Read recommended.
BackUp Device :	Recommended.
Operating System :	Windows 2000 (SP4), XP Professional (SP2).

part numbers

795-088-100

VisualeyeZ Graphics Workstation - Level 1 Basic.

PC based mimic panel. English Only.

795-088-200

VisualeyeZ Graphics Workstation - Level 2 Standard.

For connection to a single network with up to 9 control panels. English Only.

795-088-210

VisualeyeZ Graphics Workstation - Level 2 Standard Plus including TCP/IP Groups.

For connection to a single network with up to 9 control panels. English Only.

795-088-220

VisualeyeZ Graphics Workstation - Level 2 Standard Plus including TCP/IP Groups.

For connection to a single network with up to 5 mimic licenses and up to 9 control panels. English Only.

795-088-230

VisualeyeZ Graphics Workstation - Level 2 Standard Plus including TCP/IP Groups.

For connection to a single network with up to 10 mimic licenses and up to 9 control panels. English Only.

795-088-240

VisualeyeZ Graphics Workstation - Level 2 Standard Plus including TCP/IP Groups.

For connection to a single network with up to 20 mimic licenses and up to 9 control panels. English Only.

795-088-300

VisualeyeZ Graphics Workstation - Level 3 Premium Edition.

For connection to a single network with up to 99 panels. English Only.

795-088-310

VisualeyeZ Graphics Workstation - Level 3 Premium Edition Plus including TCP/IP Groups.

For connection to a single network with up to 99 panels. English Only.

795-088-320

VisualeyeZ Graphics Workstation - Level 3 Premium Plus including TCP/IP Groups.

For connection to a single network with up to 5 mimic licenses and up to 99 control panels. English Only.

795-088-330

VisualeyeZ Graphics Workstation - Level 3 Premium Plus including TCP/IP Groups.

For connection to a single network with up to 10 mimic licenses and up to 99 control panels. English Only.

795-088-340

VisualeyeZ Graphics Workstation - Level 3 Premium Plus including TCP/IP Groups.

For connection to a single network with up to 20 mimic licenses and up to 99 control panels. English Only.

Fire System Compatability

Morley-IAS is fully committed to offering practical solutions and supporting products that enhance your buildings control systems.

For further details on any Morley-IAS product please contact your local distribution point, Morley-IAS Regional Sales Manager or via our contact details.

Morley-IAS by Honeywell a real choice for fire solutions, committed to supporting our device partners.
