Strobe Wire Guard Damage Stopper®

For SPECTRAlert® Advance Devices

NOTIFIER® by Honeywell

Miscellaneous

General

The Strobe Wire Guard Damage Stopper® is an excellent way to protect strobe units against both vandalism and accidental damage. These wire guards provide maximum protection for System Sensor SPECTRAlert Advance series strobe notification appliances. Constructed of tough, 9-gauge steel wire that is coated with corrosion resistant red or white polyester, these guards can take hard knocks in stride.

This Stopper is highly recommended for areas where abuse is severe or it is imperative that strobe units continue to operate.
