Cautions and Warnings

WARNING To ensure compliance with electrical safety standards, CSA Certified/UL Listed LPS or Class 2 power adapters are required. Power over Ethernet (PoE) shall be provided by listed Information Technology Equipment meeting the IEEE 802.3af PoE standard. The PoE is not intended to be connected to exposed (outside plant) networks.

WARNING To comply with EN50130-4 requirements, a UPS should be employed when powering the camera from 24 V AC.

CAUTION Invisible LED radiation (850 nm). Avoid exposure to beam.

CAUTION This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

Important Safeguards

- · Read and keep these instructions.
- · Please ensure that your installation area can safely support the weight of the camera.
- Do not aim the camera toward an extreme light source to prevent damage to the CCD. • This camera is rated for indoor operation. Do not expose this camera to rain or moisture. · Do not touch the camera lens.
- - · Do not drop the camera or subject it to physical shock.
 - · Do not use a strong or abrasive detergent when cleaning the camera.
 - 122°F [-30°C to 50°C]).

Regulatory Statements FCC Statement of Compliance

Information to the User: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense

Note Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This Class A digital apparatus complies with Canadian ICES-003.

Manufacturer's Declaration of Conformance

The manufacturer declares that the equipment supplied with this guide is compliant with the European Parliament and Council Directive on the Restrictions of the use of certain hazardous substances in electrical and electronic equipment (2011/65/EU), General Product Safety Directive (2001/95/EC), and the essential requirements of the EMC Directive (2014/30/EU), conforming to the requirements of standards EN 55022 for emissions, EN 50130-4 for immunity, and EN 60950-1 for electrical equipment safety.

Waste Electrical and Electronic Equipment (WEEE)

- · Avoid operating or storing the unit in extremely humid, dusty, hot/cold environments
- (where the operating temperature is outside the recommended range of -22° F to

Correct Disposal of this Product (applicable in the European Union and other European countries with separate collection systems).

This product should be disposed of, at the end of its useful life, as per applicable local laws, regulations, and procedures.
