Accessing ONYXWORKS-WS Related Documents

P/N LS10050-009NF-E:A 2/9/2015 15-0088

1. Overview

The documents that pertain to the setup and operation of the ONYXWorks® Workstation (see Table 1) can be accessed using the following two methods:

- Download from the NOTIFIER ESD website
- Copy the documents from the Workstation PC and read on another PC with Adobe® Reader® installed

NOTE: Adobe Reader may be downloaded from **http://get.adobe.com/reader/**.

2. Download from ESD Website

1. On a PC with Internet access and Adobe Reader, browse to the.NOTIFIER ESD website (**http://esd.notifier.com**).
2. Log into the website.
3. Enter the document part number (see Table 1) in the search field in the upper right-hand corner of the screen and click the search button.
4. Click the PDF document link that appears in the search results.
5. Read the document on-screen or save onto your PC.

3. Copy from Workstation and Read

1. Insert a USB flash drive into the USB port on the workstation PC.
2. Using Windows® Explorer, navigate to **C:\Facilities Monitoring 3.0\Documentation**.
3. Copy the entire document folder or just the desired documents to the flash drive.
4. Read from the flash drive and/or copy the files on another PC loaded with Adobe Reader.
