Products Discontinuation

VideoBlox Matrix

Honeywell is committed to bringing the most innovative technologies and products to our customers, and therefore, it is necessary to discontinue some products from time to time.

This announcement is to advise you that we are permanently discontinuing the **VideoBlox Matrix Switching System** effective **31st March 2018**. The affected products are as mentioned below:

Discontinued Part Code	Description	Qty Available (Jan 2nd 2018)
HVB4UX	MATRIX 4u Videoblox Chassis Up to 7 Cards	3
HVB8UX	MATRIX 8U VIDEOBLOX Chassis	10

HVB2BLANK	MATRIX Dual Slot Blank Plate	4
HVB422C4	MATRIX 4Ch RS422 Star Driver	9
HVBI2C16I	MATRIX 16Ch Alarm Input Card	9

To support existing sites, Honeywell is also offering a **Last time buy opportunity until 31st March 2018** for the below items:

Part Code	Description	Last Time to Buy
HVB12UX	MATRIX Videoblox 12u Chassis 220Vac	31st March 2018
HVB16VDA3	MATRIX 16X48Ch Vide Dist Amp EXC PSU	31st March 2018
HVBM64	MATRIX 16Ch Video Input Card 64 Output	31st March 2018

We are also working on a migration plan to help customers move from the VideoBlox solution to HD Video solutions, to take advantage of the latest Video surveillance technologies.

Please contact our NEW Internal Sales Support team to discuss new migration options and for any last time buy requirements. They can be reached on internalsalesupportuk@honeywell.com
