Q1-2024 Improvements for eCommerce Platform

Quantity-Based Pricing Policy Updates

Based on customer feedback, we are enhancing our MyBuildings.Honeywell.com eCommerce portal to improve the overall customer experience. These upgrades include features related to quantity-based product groups such as Master Packs, and testing is expected to be completed by Q1-2024. In the interim, you should continue to order at your current pricing. We will share relevant updates in future bulletins.

If you have any questions or require assistance, please contact your Regional Sales Manager or Customer Service Representative.

Thank you for your business and continued support of Honeywell Fire products.
