HP300, HP400, and HP600 Series Discontinuation

Honeywell keeps working to improve performance and simplify our portfolio, and to increase our output in our core business, we are discontinuing current HP300, 400, and 600 series power supplies. We will no longer accept new orders for HP300, 400, and 600 series products. Customer Service will contact open order owners for cancellation due to requests that existing stock cannot fill. Please see below for the part numbers impacted.
