NOTIFIER® by Honeywell

Now Available! New Addressable Fire/CO & PTIR Detectors

April 29, 2019

Building on our new line of core addressable sensors announced last year, NOTIFIER is pleased to announce the release of our new IntelliQuad™ Plus Fire/CO and Photo and Thermal, Infrared (PTIR) detectors and accessories. These new devices include features that improve the performance and aesthetics of your customers facilities.

VALUE TO YOUR BUSINESS

Decrease Labor Demands – Simplified Installation and Maintenance

- Spend less time cleaning devices with a more dust resistant chamber

Pursue New Opportunities Focused on Modern, Contemporary Aesthetics

- New sleek design – be the preferred choice for architects focused on aesthetics
- Meet more customer requests with our expanded color offering now available on more devices

VALUE TO YOUR CUSTOMER'S BUSINESS

Improve Business Continuity – For the Building's Future

- Sensors designed to meet the upcoming U.S. code compliance (the new, strict UL268 7th edition for 2020) without the need for costly software or hardware changes

Reduce End-User's Total Cost of Ownership

- Longer life cycle with a 10-year Carbon Monoxide (CO) cell life *(on models with CO detection)*

The IntelliQuad Plus Fire/CO (replacing the FCO-851 and IntelliQuad FSC-851), is an intelligent, multi-criteria detector incorporating photoelectric, thermal, infrared and carbon monoxide detection principles, providing both fire and CO detection. Fully backwards compatible.

The PTIR detector, is an intelligent multi-criteria detector incorporating photoelectric, thermal and infrared (PTIR) detection principles. The PTIR detector is intended for applications previously supported by the Acclimate™ detector (FAPT-851) and is fully backwards compatible.

IMPORTANT! NEW AND EXISTING PRODUCT AVAILABILITY
Refer to below for a cross reference guide, including new colors, protocols and product availability.

NOTE: NOTIFIER will discontinue the ONYX 800 and FireWarden 100 Series product line, indicated in the models referenced below. All orders must be shipped by **July 31, 2019.**
