New L-Series Low Frequency Notification Appliances

NOTIFIER is excited to announce the next phase of System Sensors L-Series launch with the availability of the Low Frequency sounders and sounder strobes.

The L-Series series offers the most versatile and easy-to-use line of low frequency sounder and sounder strobes in the industry. With white and red plastic housings, listed for wall and ceiling mounting, L-Series Low Frequency can meet virtually any application requirement.

The low frequency sounder, and sounder strobes were designed to address the NFPA 72 sleeping space requirements that require a low frequency notification appliance that operates within frequency range of 520 Hz $\pm$ 10% and is of a square wave tone.

These new products provide a consistent look with the previously released L-Series product line while offering the following enhancements over the legacy SpectrAlert Advance line:

- ✓ **Save money on power supplies**
 - o Up to 40% lower current draw for sounder and sounder strobes
- ✓ **Unmatched Versatility**
 - o Smaller footprint, wall and ceiling
 - o Temp 3 and Temp 4 plus High/Low tone settings
 - o Full candela range to optimize the current draw
- ✓ **Backwards compatible** with existing System Sensor SpectrAlert and SpectrAlert Advance notification appliances for retrofit applications

The L-Series Low Frequency Notification Appliances are available to order now!

NEW L SERIES MODEL	LEGACY MODEL	DESCRIPTION	
P2RL-LF	P2R-LF	LF Sounder Strobe, Wall, Red	
P2WL-LF	P2W-LF	LF Sounder Strobe, Wall, White	
HRL-LF-BP10	HR-LF	LF Sounder, Wall, Red	Bulk Pack of 10 Units
HWL-LF-BP10	HW-LF	LF Sounder, Wall, White	Bulk Pack of 10 Units
HGRL-LF-BP10	-	Compact LF Sounder, Wall, Red	Bulk Pack of 10 Units
HGWL-LF-BP10	-	Compact LF Sounder, Wall, White	Bulk Pack of 10 Units
HCRL-LF-BP10	-	LF Sounder, Ceiling, Red	Bulk Pack of 10 Units
HCWL-LF-BP10	-	LF Sounder, Ceiling, White	Bulk Pack of 10 Units

Important Information on legacy P2R-LF, P2W-LF, HR-LF, HW-LF models discontinuation - Last order date for the legacy SpectrAlert Advance Low Frequency appliances is November 23 2019 or while supplies last. Request all shipment date by December 23, 2019.

For additional details, please refer to the datasheet and product page for low frequency sounder strobes on our website, www.notifier.com.

Please contact your Customer Service Representative at 1-800-289-3473 for ordering information. For any technical questions pertaining to this notice, please contact Technical Service at 1-800-289-3473 or NOTIFIER.tech@honeywell.com

Thank you for your business and continued support.
