ONYXWorks® - Version 4.60

May 2021

NOTIFIER® is pleased to announce the release of ONYXWorks version 4.60, including the following new features:

- **Graphic Screenshot in Email** displays a floor plan screenshot of the device in alarm in recipients' email notifications, allowing users to quickly pinpoint the exact location of system events.
- **N16 Inspire Panel Support** – PC Network Card (Standard or High-Speed, Wire or Fiber) in ONYXWorks Workstation is required.
- **Self-Test Detector Support**
- **New High-Speed Wire PC Network Card Support** (p/n NFN-GW-PC-HNW-2) Please see ONYXWorks® - High Speed Wire PC Network Card Product Bulletin

ONYXWorks® Version 4.60 is available to order now. For any technical questions pertaining to this notice please contact NIS Technical Service at 1-877-996-6647 or NIS.Tech@Honeywell.com.

Thank you for your business and continued support.

Sincerely,

Michele Ottavio
Offering Manager
