Product Discontinuation: MON-19LCDW and MON-19LCDW-TS

March 20, 2013

NOTIFIER's 19" widescreen displays (MON-19LCDW-TS and MON-19LCDW) used with ONYXWorks are being discontinued by the supplier. The last order date for these monitors will be June 1, 2013 with the last ship date of July 15, 2013.

The 19" monitors will be replaced by NOTIFIER's 22" monitors for both the standard and touch-screen models. You can order these monitors as follows:

Monitor	Part Number	Description
22" Standard Monitor	MON-22LCDW	Wide-screen LCD, 1680x1050 WSXGA
22" Touch Screen Monitor	MON-22LCDW-TS	Capacitive touch-screen, USB controller, custom stand

If you have any questions regarding monitor support for the ONYXWorks workstation, please contact NIS Technical Services at 877-996-6647 for assistance.
