NOW AVAILABLE! NOTIFIER SWIFT® Wall AV Bases

July 31, 2019

In order to provide our partners with more flexibility within the SWIFT® wireless product family, NOTIFIER is now offering the new wireless addressable AV bases for walls.

SWIFT is a Class A commercial wireless fire system featuring a robust, self-healing mesh technology for a stronger, more reliable network. The new SWIFT products give installers more options when installing audible/visual notification to an area, either wirelessly extending an existing wired NOTIFIER system, or helping to retrofit a space with full wireless coverage.
