To: System Integrators, Novar Gent Services	Date: 21/10/2005
	Status: Active
	Type: Gent/SI

Product – Part affected:
New Vigilon range commissioning manual

Details:
We are currently changing the format of our commissioning manuals. These will now be done in groupings ie one for panels another for detectors and so on. The First of these combined manuals, panels, is now ready.

Action:
A copy of the new manual is on the new commissioning tool CD which you all should now have. Please ensure all engineers and any other relevant personal get a copy of the new manual.

Name: Peter Dodge
