RE: **Silent Knight Fire Alarm Panels - Class 1**

Dear Mr. Papier,

The following Silent Knight fire alarm panels are acceptable for use in the City of Chicago:

Class 1 – Conventional – Model 5208  
Class 1 – Addressable – Model 5820XL  
Class 1 – Addressable – Model IFP1000

All fire alarm panel installations will be subject to a field inspection to verify compliance with the city code.

Sincerely,

Demarre McGill  
Deputy Fire Commissioner  
Bureau of Fire Prevention

John Javorka, PE  
Chief Fire Prevention Engineer  
Bureau of Fire Prevention

Daniel Allen  
Chief Electrical Inspector  
Department of Buildings
