## we are

**Introducing the new Honeywell Galaxy 2 Series EN compliant control panel range.**

When the new set of European Intruder Alarm standards hit the UK on October 1st the Honeywell Galaxy 2 series was ready. Perfect for all EN50131-1 security grade 2 installations, they feature a fully

hybrid control panel range providing up to 44 zones, with PSTN/GSM dual path signalling and two-way voice options. Incorporating intelligent self-diagnostics, supported by an effective PC application, the Galaxy 2 series range of control panels continues the Galaxy philosophy of easy-to-use, installer-friendly and maintainable products. The Galaxy 2 series is fully backward compatible with installed Galaxy and Galant systems.

The new EN compliant Honeywell Galaxy 2 Series - ready when you are.

## Honeywell

Honeywell Security is an international supplier and distributor of electronic security systems and solutions. Our products monitor and protect millions of homes, businesses and government facilities across the globe.
