SmartLine Extended Product Warranties

Honeywell

To boost your confidence and efficiency, choose an extended warranty option for your SmartLine transmitters – and protect your investment even after your factory warranty has expired.

Available for 1,2,3,4, and 15-year extended coverage plans, the selectable extended warranty options cover the entire SmartLine portfolio.

WHY CHOOSE A SMARTLINE TOGETHER WITH EXTENDED PRODUCT WARRANTY?

Boost your efficiency

Extended product warranties enable you to lower your total cost of ownership for your SmartLine transmitters.

Best in class quality and reliability

Proven by over **40 years** of industry experience and **over 3 million** devices installed globally.

Manage obsolescence

Reduce your maintenance costs for your transmitters **up to 40%**.

Peace of mind

Extended warranties allow you to focus on your key tasks instead of getting distracted with potential instrumentation life-cycle issues.
