

Product Family Miller Ladder Grip

The Miller Ladder Grip is a low profile ladder bracket/fall arrest anchor point that can be permanently attached to the roof to prevent a ladder from moving/tipping over. It also provides a fall arrest anchor point rated for one person and a handle that can be used to hold on to while getting onto and off the roof.

Warranty Information

MILLER FALL PROTECTION PRODUCT TOTAL SATISFACTION ASSURANCE At Sperian Protection, we have been providing quality Miller brand fall protection equipment to millions of workers worldwide since 1945. LIMITED LIFETIME WARRANTY BACKED BY OVER 60 YEARS IN THE FALL PROTECTION BUSINESS We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous tests to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 1300 139 166 (Aust customers) or 0800 322 200 (NZ customers) Manufacturing specifications are subject to change without notice.
