Additional Information

The Explorer Miners harness also includes retro reflective tape on the shoulder straps. All Miller Miners harnesses are equipped with label pack housing all relevant harness information including donning instructions, connection instructions, AS/NZS 1891.1 2007 certification and inspection grid. All attachment points are clearly labeled and define the application of the attachment.

Overview

Key Features

Miller Miners harnesses, combine the best parts of the original Prospector and Explorer miners belts into full body harnesses. These harnesses suit fall protection applications in mining. Each style is available in 3 sizes to accommodate workers varying in size from small to large. The styles feature padded belts with battery and self rescue straps, fully adjustable leg, shoulder and chest straps, frontal and rear fall arrest attachment points.

- Mining
- Municipal Services
- Oil and Gas
- Steel and Metals
- Transportation
- Utilities

Hazards

- Confined Space
- Fall from height

Regulations

- Certified to Australian and New Zealand Standards AS/NZS 1891.1 - 2007.

Warranty Information

MILLER FALL PROTECTION PRODUCT TOTAL SATISFACTION ASSURANCE At Sperian Protection, we have been providing quality Miller brand fall protection equipment to millions of workers worldwide since 1945. LIMITED LIFETIME

WARRANTYBACKED BY OVER 60 YEARS IN THE FALL PROTECTION BUSINESS We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous tests to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 1300 139 166 (Aust customers) or 0800 322 200 (NZ customers) Manufacturing specifications are subject to change without notice.
