Additional Information

Automatic units (Altochute & Roker) provide hand free working, for increased productivity. The altochute suits work on lines both horizontal & vertical. All units are openable, and can be attached to an

Overview

Key Features

Lightweight and industry proven automatic and manual type 1 fall arrestors lock onto the rope in the event of a sustained slip or a fall, arresting the worker immediately. The automatic units follow the worker easily without assistance, along a taught rope.

- Construction
- Food Services
- Forestry
- Manufacturing
- Mining
- Municipal Services
- Oil and Gas
- Pharmaceutical
- Steel and Metals
- Transportation
- Utilities

Hazards

- Confined Space
- Fall from height

Regulations

- Conforms to AS/NZS 1891.3 as a type 1 fall arrest device.

Warranty Information

MILLER FALL PROTECTION PRODUCT TOTAL SATISFACTION ASSURANCE At Sperian Protection, we have been providing quality Miller brand fall protection equipment to millions of workers worldwide since 1945. LIMITED LIFETIME WARRANTY BACKED BY OVER 60 YEARS IN THE FALL PROTECTION BUSINESS We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous tests to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 1300 139 166 (Aust customers) or 0800 322 200 (NZ customers) Manufacturing specifications are subject to change without notice.
