## **Overview**

### **Key Features**

The Honeywell 5000 series cup shape respirator, provides a high quality respiratory solution. Packed with innovative features and improved design, the new generation of no maintenance masks provides great protection. The Willtech ultra soft seal uses triple layer technology to provide the ultimate in comfort and protection. It provides the wearer with a soft textile sensation on the skin, while absorbing perspiration and ensuring an excellent seal for maximum protection. A colour coded nose bridge gives at-a-glance protection identification.

### **Recommended Industries/Use**

- Agriculture
- Chemical
- Construction
- Fire Protection
- Forestry
- Government
- Manufacturing
- Mining
- Municipal Services
- Oil and Gas
- Pharmaceutical
- Steel and Metals
- Utilities
- Welding
- Wind Energy

### **Hazards**

- Airborne Particulates
- Contamination
- Fire
- Gas, Vapors, Smoke

### **Regulations**

- Approved to AS/NZS 1716:2012 Lic 1134

### **Historical Brand**

Willson, Sperian

## Specifications
