WARNING:

It is necessary to assess hazards in the work environment and to match the appropriate personal protective equipment to particular hazards that may exist. At a minimum, a complete and thorough hazard assessment must be conducted to properly identify the appropriate personal protective equipment to be used in a particular work environment. FAILURE TO READ AND FOLLOW ALL PRODUCT WARNINGS AND INSTRUCTIONS AND TO PROPERLY PERFORM A HAZARD ASSESSMENT MAY RESULT IN SERIOUS PERSONAL INJURY, ILLNESS OR DEATH.

WARRANTY INFORMATION:

Each new product is warranted to be free from defects in material and/or workmanship. Honeywell's responsibility is limited to, at its option, repairing or replacing any product for a period of SIX months after shipment in case of any material or workmanship defect. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE EXCLUDED. The life of footwear is dependent on its type, environmental conditions, contamination and degradation of the product. It is important that the footwear selected is suitable for the hazard and environment.

STORAGE INFORMATION:

Footwear should be stored in their original packaging, kept in a controlled stock area, not subject to rapid changes in temperature or humidity levels.

CARE INSTRUCTIONS:

- After use leave your footwear to dry in an aired place away from heat
- Remove any excess dust or dirt with a brush. Do not use any caustic cleaning/alcohol agents.
- Remove any marks using a damp cloth if necessary.
- Finally polish any grain or pigmented leathers using a commercially available good quality shoe care product.
