Overview

Key Features

Miller Safety Straps

- NF Series Safety Strap: A 1-3/4 inch (44mm) wide, 100% nylon safety strap offers a friction buckle to adjust the length of the strap quickly and easily.
- YR Series Safety Strap: Strong safety strap, made of a six-ply neoprene, remains flexible in all types of weather conditions. Tongue buckle adjuster included for quick, safe adjustment.

Recommended Industries/Use

- Utilities

Hazards

- Confined Space
- Fall from height

Regulations

- Meets all applicable OSHA, ANSI and CSA standards

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without notice.
