Additional Information

Made-to-order items: Minimum order requirement of \$250 (USD) and predetermined incremental/minimum order quantity of item must be met. It is our policy to consider orders complete when +/- 10% of a made-to-order product is shipped. Every effort will be made to ship the quantity ordered. Customer will be invoiced for the exact amount shipped. Honeywell reserves the right to sell all overrun imprinted merchandise.

Overview

Key Features

Newly engineered Comfortrel sleeves offer excellent cut protection and comfort. The excellent cut protection of Comfortrel is due to a blend of HPPE (High Performance Polyethylene) fiber. Honeywell has maintained the same level of cut protection, but now with more lycra to give Comfortrel sleeves the elasticity needed to stretch back after wear and wash. Comfortrel sleeves are available in a variety of lengths, to best suit your needs.
