Product Family Honeywell HW100 ADF Welding Helmet

Competitively priced, and perfect for the part-time welder or hobbyist, the HW100 Auto Darkening (ADF) welding helmet incorporates a high-quality filter with a sleek and lightweight helmet shell, and features solar-powered Shade 10 ADF technology ideal for general welding applications. When a welding job requires more than a standard passive filter, ADF helmets provide greater protection, superior comfort and eliminate the need for constant adjustments, allowing for more time spent welding.
