

Product Family
Pressure Demand SAR
without Escape Cylinder
(NIOSH)

This product provides air from a remote air source for non-IDLH atmospheres.

Honeywell

Product Numbers & Ordering Information

Product Numbers	Details
 P968448	PD-SAR, No Facepiece PD-SAR system, No Facepiece
 P968446	Small Full Facepiece, No Coupling TwentyTwenty Plus facepiece—small, black, medium nose cup, silicone headstrap. Other nose cup sizes available. Headnet available. Puma hood available. NIOSH TC-19C-302.
 P968445	Medium Full Facepiece, No Coupling TwentyTwenty Plus facepiece—medium, black, medium nose cup, silicone headstrap. Other nose cup sizes available. Headnet available. Puma hood available. NIOSH TC-19C-302.
 P968447	Large Full Facepiece, No Coupling TwentyTwenty Plus facepiece—large, black, medium nose cup, silicone headstrap. Other nose cup sizes available. Headnet available. Puma hood available. NIOSH TC-19C-302.
 P968435	Full Facepiece, w/P100 Escape, No Coupling Classic facepiece—blue, standard size, standard nose cup, neck strap. NIOSH TC-84A-0229.
 P968437	Full Facepiece, Black (Welding), w/P100 Escape, No Coupling Classic facepiece—black, standard size, standard nose cup, neck strap. NIOSH TC-84A-0229.

Overview

Key Features

Pressure Demand SAR without Escape Cylinder (NIOSH)

The Pressure Demand SAR without Escape Cylinder offers the same reliable facepieces and second stage regulators as the Cougar and 1997-style Panther SCBAs. It allows the user to comfortably wear the respirator in a non-IDLH environment while breathing from a remote air source.

Recommended Industries/Use

- Government
- Military
- Oil and Gas
- Pharmaceutical

Hazards

- Airborne Particulates
- Biohazard
- Chemical
- Confined Space
- Contamination
- Extreme Environment
- Explosion
- Gas, Vapors, Smoke

Regulations

- NOSH 42 CFR Part 84

Historical Brand

Survivair

Warranty Information

12 years

Specifications

Facepiece Material

- Silicone

Facepiece Styles

- Classic, TwentyTwenty Plus or Puma hood

Facepiece Sizes

- Small, medium or large

Nose Cup Sizes (including hood)

- Small, medium or large

Head Harness for Non-hood Facepiece

- Silicone or Kevlar

Second Stage Regulator

- Pilot valve

Harness Material

- Nylon
