

Miller® Permanent Roof Anchors

Fall protection designed for residential or commercial construction

- Ideal for new construction or as a retrofit on roofs with asphalt, shake or tile roofing materials
- Multiple use applications: new roof/shingle installation, gutter cleaning, window and skylight cleaning/repair, chimney maintenance and general roof maintenance
- Only the permanent D-ring(s)/anchor is exposed, providing a quick, safe fall arrest connection point(s)
- Stainless steel body construction, zinc-plated steel D-ring(s) resist corrosion for long service life

Single D Roof Anchors can also be used for vertical wall applications.

Use the Permanent Roof Anchors on new or existing roofs to provide a quick, safe anchorage point.

MILLER® **D** SINGLE PERMANENT ROOF ANCHOR
