Product Numbers & Ordering Information

Product Numbers	Details
 QD30	Quiet - corded NRR 26 Canada Class A(L)
 QD30-RC	Quiet - corded NRR 26 Canada Class A(L)
 QD30-LG	Quiet - large - corded NRR 26 Canada Class A(L)
 QD30-RC-LG	Quiet - large - corded NRR 26 Canada Class A(L)
 QD1-LG	Quiet - large - uncorded NRR 26 Canada Class A(L)
 QD1-RC-LG	Quiet - large - uncorded NRR 26 Canada Class A(L)
 QD30-RC-SM	Quiet - small - corded NRR 26 Canada Class A(L)

Quiet Multiple-Use Earplug

QD30-SM

Quiet - small - corded
NRR 26 Canada Class A(L)

QD1-RC-SM

Quiet - small - uncorded
NRR 26 Canada Class A(L)

QD1-SM

Quiet - small - uncorded
NRR 26 Canada Class A(L)

QD1

Quiet - uncorded
NRR 26 Canada Class A(L)

QD1-RC

Quiet - uncorded
NRR 26 Canada Class A(L)

QD-1-DS

Quiet - uncorded bulk refill for Leight Source 500
NRR 26 Canada Class A(L)

QD-5

Quiet - uncorded 5-pair vending pack
NRR 26 Canada Class A(L)

QD-30-5

Quiet - corded 5-pair vending pack
NRR 26 Canada Class A(L)

Overview

Key Features

- Patented "no-roll" design is easy to handle and fit
- Contoured shape comfortably matches contours of the ear canal
- Smooth, non-irritating skin provides all-day comfort, easy to clean for long-term use
- Built-in insertion stem makes insertion quick and easy

Recommended Industries/Use

- Construction
- Food Services
- Manufacturing
- Oil and Gas
- Transportation
- Utilities

Hazards

- Noise

Regulations

- 29 CFR 1910.95 - OSHA Occupational Noise Exposure (US)
- ANSI S3.19-1974 - Attenuation Test Protocol (US)

Training & Proper Use

1. While holding the stem, reach a hand over your head and gently pull top of your ear up and back.
2. Insert the earplug so all flanges are well inside your ear canal.
3. If properly fitted, the tip of the earplug stem may be visible to someone looking at you from the front.
4. Proper Fit – If either or both earplugs do not seem to be fitted properly, remove the earplug and reinsert.
5. Removal – Gently twist earplug while slowly pulling in an outward motion for removal.
6. Acoustical Check – In a noisy environment, with earplugs inserted, cup your hands over your ears and release. Earplugs should block enough noise so that covering your ears with your hands should not result in a significant noise difference.

Additional Information

CARE + MAINTENANCE

- INSPECT – Prior to fitting, examine your earplugs for dirt, damage, deformation or extreme hardness—discard immediately if compromised.
- CLEAN – Wash Multiple-Use earplugs with mild soap and warm water only. Pat dry with a towel and store in a case when not in use. Do not treat with any other substances, as the earplugs may degrade and compromise use.
- HYGIENE – With proper maintenance, Multiple-Use earplugs can last for 2-4 weeks.
