## Overview

### Key Features

The Aracut® line features lightweight, mediumweight and heavyweight liners made of Kevlar®.

#### COMFORT

The knitting technique gives the gloves perfect support, limits the penetration of dirt and offers a good touch. The ventilated back improves the glove's breathability.

**RESISTANCE**

The Kevlar® fibre offers good cutting resistance and outstanding protection against thermal hazards in a dry atmosphere. Version in textile, PVC dots, PU, nitrile.

**Recommended Industries/Use**

- Construction
- Manufacturing
- Mining
- Steel and Metals
- Transportation

**Hazards**

- Abrasion
- Cut / Puncture
- Extreme Environment
- Slip
