Overview

Key Features

The FineDex® line features lined or unlined latex, PVC or Nitrile gloves.

COMFORT

The material used provides excellent flexibility, synonymous of dexterity and comfort. The gloves' lined with polyamide or cotton ensures a very good comfort of use.

RESISTANCE

Latex offers good mechanical and chemical resistance against detergents and liquid products. The PVC composition has been tailored for multi-purpose and repetitive handling in an oily atmosphere.

SAFETY

The cuff helps to protect a large part of the forearm.
