Overview

Key Features

- The PivotLink Connection provides an attachment point for a multitude of accessories and individual tool pouches with an innovative design that accommodates: Pouches, tool holders, cell phones, water bottles and more
- A tool belt that easily attaches and detaches – distributing weight across the hips and shoulders for a more comfortable fit and greater mobility
- Universal attachment clips that fit on your existing accessories or tool rig and easily attach/detach

Hazards

- Confined Space
- Fall from height

Regulations

- Meets all applicable OSHA, ANSI and CSA standards

Warranty Information

We sincerely believe that our fall protection equipment is the best in the world. Our products endure rigorous test to ensure that the fall protection equipment you trust is manufactured to the highest standards. Miller fall protection products are tested to withstand normal wear and tear, but are not indestructible and can be damaged by misuse. Our Limited Lifetime Warranty does not apply to normal wear and tear or abusive treatment of the product. In the unlikely event that you should discover defects in either workmanship or materials, under our Limited Lifetime Warranty, we will repair or replace the product at our expense. If a replacement is necessary and your product is no longer available, a comparable product will be substituted. Should a product issue surface, contact us at 800/873-5242. Manufacturing specifications are subject to change without notice.

Specifications

Specification Sheets

- For full engineering specification sheets, go to the spec sheet section under downloads and documentation

Training & Proper Use

Proper product training and professional fall protection training is recommended. Refer to Product Use Instructions enclosed with products.
