	NF15	Light task Fine handling in dry environment
	NF15B	Light task Fine handling in dry environment

Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

Packaging Information

Bundle of 10 pairs. Cartons of 100 pairs

Overview**Key Features**

The Perfect Poly® line features seamless and lightweight polyamide liners with polyurethane coating..

COMFORT

The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The ventilated back and PU coating optimise the glove's breathability. Non pilling, the polyamide is suitable for precision work.

RESISTANCE

Polyamide with its polyurethane coating provide excellent abrasion and tear resistance. The PU coating ensures a good grip.

SAFETY

The gloves are certified as "silicone-free" to ensure their use in painting.

HYGIENE

Available in various color according to the work environment.
