Översikt

Viktigaste egenskaperna

The Abratex line features lightweight and heavyweight knitted polyamide and cotton gloves. Version with PVC dots or without.

COMFORT

The knitting technique gives the glove perfect support, limits the penetration of dirt and offers a good touch. The cotton interior slows down perspiration and increases comfort.

RESISTANCE

The mix of both fibres, polyamide and cotton, ensure better abrasion and cutting resistance.

HYGIENE

The white colour enhances the gloves' hygiene and cleanliness properties. Green version for dirty applications.
