Ytterligare information

Minimum order quantities : 1 apron / 1 tunic.

Översikt

Viktigaste egenskaperna

The Chainextwo line features stainless steel metal mesh apron/ tunic (Level 2 to EN 13998).

COMFORT

Despite the tight mesh, the apron/ tunic's weight is quite moderate. The plastic straps are both supple and comfortable. The double fastening system on the shoulder straps helps to fit for all sizes.

RESISTANCE

The outstanding quality of CHAINEX chainmail is an added guarantee of durability.

SAFETY

CHAINEXTWO

Its tight mesh has been approved for Level 2 protection, thus ensuring optimal protection against highly frayed knives.

HYGIENE

Compatible with food contact.
