Overview

Key Features

The Chainexlite line features stainless steel metal mesh apron or tunic.

COMFORT

With their Level 2 chainmail protection, they are the lightest apron / tunic on the market. The double fastening system on the shoulder straps helps to fit for all sizes. Comes in a textile, plastic or elastomer shoulder strap version Comes with a plastic or textile belt.

RESISTANCE

The outstanding quality of CHAINEX chainmail is an added guarantee of durability.

SAFETY

As a result of the design, the tunic/apron stays in place and is not inclined to "fall forward".

HYGIENE

Compatible with food contact.
