### Overview

#### Key Features

The Chainexone line features stainless steel metal mesh apron/ tunic (Level 1 to EN 13998).

#### COMFORT

Despite the tight mesh, the apron / tunic 's weight is quite moderate. The plastic straps are both supple and comfortable. The double fastening system on the shoulder straps helps to fit for all sizes.

#### RESISTANCE

The outstanding quality of CHAINEX chainmail is an added guarantee of durability.

#### SAFETY

Tight mesh approved for Level 1 protection (.5mm wire). Offers protection against cuts but not accidental perforations.

#### HYGIENE

Compatible with food contact.

#### Recommended Industries/Use

- Food Services

#### Hazards

### Regulations

- Category 2 : Intermediate risks.
- EN 13998 level 1 & 2 - Aprons, trousers and vests protecting against cuts and stabs by hand knives.
- Food contact -

### Historical Brand

Chainex
