

XC®

Product description

The XC is a stylish safety spec providing the wearer X-tra Coverage, Control and Comfort.

FEATURES

- Polycarbonate hard coat lens (fog ban lens also available).
- Lightweight, 36g for all day comfort.
- High coverage lens for a total coverage and peripheral vision.
- Available in seven different lenses for a variety of applications.
- Increased comfort with the use of Multi-Material Technology (MMT®) to cover all pressure points (brow, nose bridge, temples).
- Extendable arm lengths and temple pivot points for a perfect facial fit.
- Easily replaceable hard coat lenses for cost savings and longer product life.
- Optional RX insert to accommodate prescription eyewear.

Technical Details

- A nine-base, wrap-around lens design provides close-to the face protection and superior coverage
- Hard Coat models prevents scratching of lens
- Anti Fog models prevent lens fogging

APPLICATIONS

- All applications requiring eye protection from impact and sunglare (grey tinted models).

Standards

Certified to AS/NZS 1337.1: 2010 Medium Impact
