## OLIVER SIZE CONVERSION CHART

| USA MEN | USA LADIES | METRIC<br>(Latin America) | UK / AUSTRALIA<br>MEN | UK / AUSTRALIA<br>LADIES |
|---------|------------|---------------------------|-----------------------|--------------------------|
| 4       | 5, 5 ½     | 35                        | 3                     | 5                        |
| 5       | 6, 6 1/2   | 36                        | 4                     | 6                        |
| 5 ½     | 7          | 37                        | 4 ½                   | 6 ½                      |
| 6       | 7 ½        | 38                        | 5                     | 7                        |
| 6 ½     | 8          |                           | 5 ½                   | 7 ½                      |
| 7       | 8 ½        | 39                        | 6                     | 8                        |
| 7 ½     | 9          | 40                        | 6 ½                   | 8 ½                      |
| 8       | 9 ½        | 41                        | 7                     | 9                        |
| 8 ½     | 10         |                           | 7 ½                   | 9 ½                      |
| 9       | 10 ½       | 42                        | 8                     | 10                       |
| 9 ½     | 11         |                           | 8 ½                   |                          |
| 10      |            | 43                        | 9                     |                          |
| 10 ½    |            |                           | 9 ½                   |                          |
| 11      |            | 44                        | 10                    |                          |
| 11 ½    |            | 45                        | 10 ½                  |                          |
| 12      |            | 46                        | 11                    |                          |
| 13      |            | 47                        | 12                    |                          |
| 14      |            | 48                        | 13                    |                          |
| 15      |            | 49                        | 14                    |                          |
| 16      |            | 50                        | 15                    |                          |

Note: Men's US sizes are clearly marked on the boots, as well as UK/Australian.
