

SAF-T-FIT PLUS DISPOSABLE RESPIRATORS

Saf-T-Fit Plus is the most versatile line of disposable respirators, allowing you to choose your level of protection and size for complete protection. Our unique size offerings fit a variety of face shapes and sizes, helping keep a tight seal all day. The nose clip is color-coded for visible size recognition.

FEATURES AND BENEFITS

- Inner seal of closed cell foam creates the optimal face seal for comfort, helping to increase wear time.
- Molded cup design and durable suspension straps for greater comfort.
- Multiple sizing options, to ensure the proper face seal.
- Humidity and moisture resistant filter media that repels moisture for a longer lasting respirator.
- Reliable, durable design that lasts throughout the workday.
- Molded cup style designed to resist collapsing, making it long lasting in tough environments.

INDUSTRIES & APPLICATIONS

- Lead Abatement
- Adhesives
- Agriculture and Farming
- Construction
- General Manufacturing
- Grinding
- Metal Cutting and Pouring
- Sanding or Cutting Wood

COLOR CODED NOSE CLIP FOR SIZE RECOGNITION

Saf-T-Fit Plus is the most versatile line of disposable respirators, allowing you to choose your level of protection and size for complete protection.

Color-coded noseclips make it easy to pick the right size mask for your face, ensuring a tight seal all day.

Medium/Large

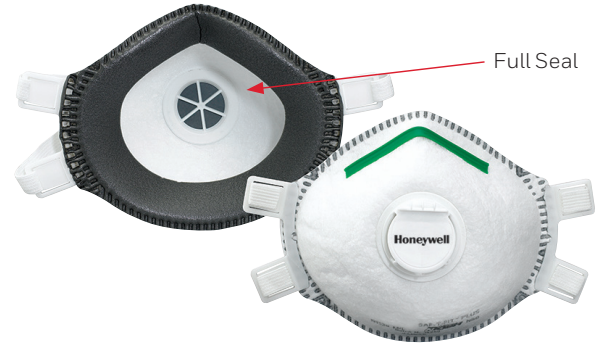

Extra Large

Honeywell

CLOSED CELL FOAM BENEFITS

- The “boomerang” seal is embedded into the seal of the mask instead of just being glued on and provides a better seal while also providing additional comfort.
- Layer of closed cell foam on the inside provides a better seal around hardest part of the face to seal.
- Layer of closed cell foam on the inside requires less pressure to seal the hardest part of the face to seal.

USE FOR

- Solid particulates & non-petroleum based liquid aerosols
- DO NOT Use for particulate concentrations exceeding 10 times PEL

APPROVALS & STANDARDS

- NIOSH approved N95 particulate respirator (NIOSH 42 CFR 84)
- Assigned Protection Factor (APF 10) per OSHA
- Meets OSHA Respiratory Protection Standard 29 CFR 1910.134

TECHNICAL SPECIFICATIONS

- Latex free components

SAF-T-FIT® PLUS DISPOSABLE RESPIRATORS

N1105

Description: N95 mask
Small: 14110387
