

Lighter than air, the Falcon soars above the competition as a great value in protective eyewear. The Falcon's frameless and optically perfected dual nine-base wrap-around lens provides superior coverage and unobstructed peripheral vision. For superior coverage, ultimate comfort and excellent vision, try Falcon safety eyewear and watch your employee compliance soar.

SAFETY EYEWEAR

Falcon®

UVEX™

by Honeywell

High Performance

- Sleek, frameless design with wrap-around nine-base unilens for uncompromised peripheral vision and coverage.
- Available in Clear, Espresso, Amber, Gold Mirror, and SCT- Reflect 50 lens tints to meet most indoor and outdoor applications and work environments.
- Lens coating options include industry-leading, high-performance Uvextreme® anti-fog coating for extreme or high humidity environments and Ultra-dura® anti-scratch coating for long-lasting durability and extended life of the lens.
- Meets ANSI Z87.1-2010 (High Impact) standard.
- Certified to the requirements of CSA Z94.3 standard.

Superior Comfort & Fit

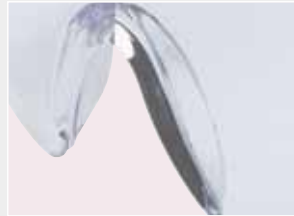

- Ultra lightweight design (22 grams) for all-day comfort.
- Patented lens inclination system for a customized fit. Ratcheting temples make it easy to adjust the lens angle for a close fit.
- Molded-in nose bridge fits wide range of wearers.
- Adjustable temple lengths for a proper, comfortable fit.
- Easy and economical lens replacement system allows for multiple lens tints and extends the life of the eyewear.

Patented lens inclination system for a customized fit.

Adjustable temple lengths ensure a proper and comfortable fit.

Molded-in nose bridge.

Dual nine-base and "optically perfected" wrap-around lens with integrated side shields provides workers with a clear and unobstructed field of vision.

Falcon®

Clear — Ideal for most indoor work applications

Espresso — Minimizes strong outdoor sunlight and glare

Amber — Ideal for low-light applications where enhanced contrast is needed

Gold Mirror — Deflects sunlight and glare

SCT-Reflect 50 — Light mirror coating is ideal for varying light conditions

All Uvex® lenses offer 99.9% ultra-violet protection.

Master Case Weight: 9 pounds

Master Case Dimensions: 18" x 13" x 10"

Uvextreme® anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Ultra-dura hard coat is permanently bonded to the lens and is scratch-resistant and chemical-resistant.
