

The Uvex Ignite delivers exceptional comfort, protection and style in a lightweight, sleek, frameless design. With its dual nine-base, wrap-around unilens, the Uvex Ignite delivers sport-styling with close-to-the-face coverage for when workers need it most. The adjustable nose piece and soft temple tip pads truly make the Uvex Ignite a pleasure to wear. Add to that a bold temple style, hot colors and an array of high-performance lens tints and the Uvex Ignite stands out from the crowd.

Uvex Ignite®

UVEX™

by Honeywell

# Uvex Ignite®

## Performance

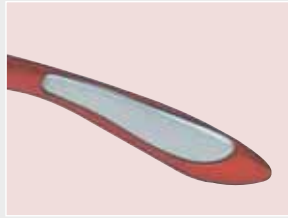

- A nine-base, wrap-around lens design provides close-to-the-face protection and superior coverage.
- Lightweight, frameless design offers 180 degrees of distortion-free, unobstructed vision.
- Available in Clear, Gray, SCT-Reflect 50, and Silver Mirror lens tints for both indoor and outdoor applications.
- Meets ANSI Z87.1-2010 (High Impact) standard.
- Certified to the requirements of CSA Z94.3 standard.

## Superior Comfort, Fit & Style

- Sleek, sporty frameless design for lightweight, all-day comfort.
- Unisex styling appeals to a broad range of workers.
- Adjustable nose piece reduces slippage and provides a personalized, comfortable fit.
- Soft temple tip pads ensure a fit that is both comfortable and secure.
- Two bold temple styles available: hot metallic red with silver accents or more traditional black with silver accents.

Bold temple design delivers attention-getting style.

Soft temple tip pads ensure a fit that is both comfortable and secure.

Adjustable nose piece reduces slippage and provides a personalized, comfortable fit.

Nine-base, wrap-around lens design provides close-to-the-face protection and superior coverage.

# Uvex Ignite®

**Clear** — Ideal for most indoor work applications

**Gray** — Minimizes outdoor sunlight and glare

**SCT-Reflect 50** — Light mirror coating is ideal for varying light conditions

**Silver Mirror** — Deflects sunlight and glare

All Uvex® lenses offer 99.9% ultra-violet protection.
