

Improved "Adjustable" Design

Miller® Adjustable Cab Mount Bracket & Kits

New!

- Designed to fit a wide range of lift truck cabs
- Easily accommodates
 - Miller MiniLite® Fall Limiter
 - Miller Scorpion™ Personal Fall Limiter
 - Miller Black Rhino™ Self-Retracting Lifeline

Features and Benefits:

- Adjustable side brackets promotes a custom fit from 3-3/4" (9.5 cm) to 9-1/8" (23 cm)
- Non-protruding mount provides greater head room
- Quick and easy installation increases productivity
- Heavy-duty, zinc-plated steel construction for greater durability and longer service life

With the new adjustable design, the Miller Cab Mount Bracket can be easily mounted on the overhead guard stringers, extending less than 2" (5.1cm) into the lift truck cab. The bracket allows for easy attachment and removal of retractable lifelines. (Specific Miller models recommended for use.)

Kits are now available with the new Miller Cab Mount Bracket and a Miller retractable lifeline, or the bracket may be purchased separately.
