Overview

Key Features

Sterile solution offers unmatched safety. When compared to tap water, sterile solution offers the best protection from contaminants and bacteria that could lead to secondary trauma to an injured eye. Sterile solution reduces the risk of potential liability if eye injury from flushing with contaminated water occurs.

Hazards

- Airborne Particulates
- Biohazard
- Chemical
- Contamination
- Gas, Vapors, Smoke
- Splash

Regulations

- ANSI Z358.1 - Meets ANSI Z358.1 standard, SEI Certified

Historical Brand

Fend-All

Warranty Information

LIMITED WARRANTY. Except for any warranty for a particular product or part specifically stated in our product literature, we warrant all goods sold under this Agreement against defects in materials and workmanship for one year from shipment. In the event of such defects, we will, at our sole option and as your exclusive remedy, repair or replace the defective product without charge, or refund the price you have paid. In order for this warranty to be effective, you must notify us within 15 days of discovery of the defect. You must return the defective product to us within the warranty period, properly

Sterile Eyewash Replacement Cartridges

packaged and with insurance and transportation costs prepaid. We will reship the product to you at our expense in the United States. This warranty does not cover defects which we determine are because of accident, alteration, modification, negligence, misuse, abuse, failure to perform adequate maintenance, normal wear and tear and normal maintenance. WE MAKE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, AND WE SPECIFICALLY EXCLUDE ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO PERSON IS AUTHORIZED TO EXTEND ADDITIONAL WARRANTIES ON OUR BEHALF.
