

Uvex GX-8™ Series

SAFETY EYEWEAR

The GX-8 Series of safety eyewear combines attractive styling with adjustability features for a perfect look, fit and feel. The contoured, soldered, nickel-free metal frame design gives the GX-8 a reliable fit and sturdy feel, while the soft-molded temple sleeves and adjustable nosepiece keeps the eyewear in place under any working condition. With clear or tinted lenses in hardcoat and anti-fog options, the GX-8 Series is ideal for virtually any indoor or outdoor application.
