Product Numbers & Ordering Information

	Product Numbers	Details
	45637C	Oliver 45637C - Composite Toe Safety Boot Brown leather, lace-up, 6 inch work boot Men's whole - 6-14 / half 7 1/2 - 11 1/2 Men's Whole sizes 6-14 Men's Half sizes 7 1/2 -11 1/2

Additional Information

For women's sizes subtract two sizes from the size you currently wear to most closely match the men's size. As an example, if you currently wear a size 8 women's shoe your best fit would be a men's size 6. This is a general guide, it is always best to try-on your footwear before purchase.

Packaging Information

1 pair per box, 6 pair per case.

Overview

Key Features

- Liquid-resistant leather
- Composite toe impact protection is 40% lighter than traditional steel toe, for less fatigue when worn all day
- NANOLite and COMFORTcushion technology to help reduce leg fatigue and enhance comfort
- All-terrain, TPU soling technology consists of a lightweight, shock absorbing low-density PU (polyurethane) midsole cushions the foot with each step for excellent comfort
- Oliver outsole design is slip-resistant to help prevent worker slips and falls and is heat-resistant to temperatures up to 266° F (130° C)

Recommended Industries/Use

- Agriculture
