

Product Family
Oliver 45680C

Oliver 45 Series safety footwear is constructed with liquid-resistant leather. The Oliver composite toe boots offer high-impact protection and is 40% lighter than traditional steel toe caps for less fatigue when worn all day.

Black leather, lace-up, insulated, 8 in (200mm)

Meets ASTM F2413-11 M I/75 C/75 Mt/75 EH

Product Numbers & Ordering Information

	Product Numbers	Details
	45680C	Oliver 45680C Black leather, lace-up, insulated, 8 inch work boot Men's Whole sizes 6-15 Men's Half sizes 7 1/2 -11 1/2

Additional Information

For women's sizes subtract two sizes from the size you currently wear to most closely match the men's size. As an example, if you currently wear a size 8 women's shoe your best fit would be a men's size 6. This is a general guide, it is always best to try-on your footwear before purchase.

Packaging Information

1 pair per box, 6 pair per case.
