Mr. Scott Newman
Ultra Electronics UnderSea Sensor Systems, Inc.
4578 East Park 30 Drive
Columbia City, IN 46725-8869

Subject: North American evaluation of your **Lapel Microphone [Model: CCLM01]**.

Dear Mr. Newman,

Intertek has completed our evaluation of your **Lapel Microphone [Model: CCLM01]** to the standards for Intrinsically Safe Apparatus and Associated Apparatus for Use in Class I, II, and III, Division 1, Hazardous (Classified) Locations (UL 913 6th Edition Dated: August 9, 2004) and Intrinsically Safe and Non-incendive Equipment for Use in Hazardous Locations (CSA-C22.2 No. 157-92 Updates: June 2003). This letter temporarily serves as notification that our evaluation has been completed and to provide the manufacturer with the authorization to apply the ETL and cETL mark.

Report 3163780CRT-001b will be revised and distributed by February 27, 2009.

Please contact us with any questions you may have regarding this evaluation and you may contact me at 607-758-6652. Thank you.

Sincerely,

Jedd Smith
Project Engineer
Intertek – Cortland N.Y.
