

Technical Specifications

Söll GlideLoc® Horizontal rail

Reference:

- 50174102-001

Material:

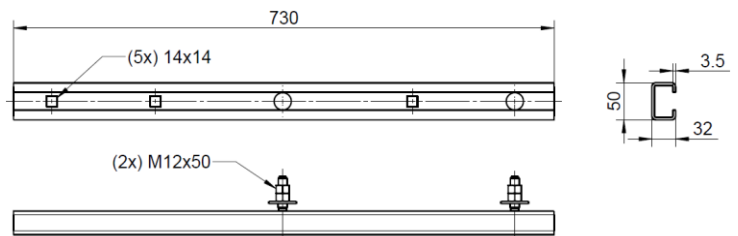

- Galvanized steel (S235JRG2)

Technical characteristics:

- Profile: 50x32 mm
- Material thickness: 3,5 mm
- Dimensions: See drawing
- Weight: 2,6 kg
- Operating temperature: -40 to +70°C
- Fixation screws: 2x special Söll screw M12x50

Standards:

- Certified to:
EN 353-1:2014+A1:2017

Quality control:

- EN ISO 9001 certified
- Quality check for each part
