

## Cover plate Systevo bed unit with magnetic plug system

**Part-No.: 88885F3**

Cover plate for Systevo bed unit with magnetic plug system.

Special material properties:

High quality plastic compound with antimicrobial surface for reduction of microorganisms and to inhibiting the growth of germs.

Good mechanical properties with high resistance to the daily stress (operation, cleaning, disinfection, shocks etc.).

Suitable for use in care facilities with high Requirements for hygiene, stability, Longevity and durability.

Dimensions

W: 68 mm H: 68 mm

**Features:**

- Plastic compound (PC + ABS-FR)
- UV-resistant
- Matt finish
- Antimicrobial surface
- impact resistance
- heat resistance
- Strength
- longevity
- durability
- Flame protection (fire prot class V0)
- Halogen free

**Accessories:**

88914A5	Frame for cover plate (single)
88914B5	Frame for cover plate (double)
88914C5	Frame for cover plate (triple)
